CAPT. BOYD IS AMONG VICTIMS OF MEXICANS

Brother of Oklahoma City Woman Reported Killed At First Volley.

Spilliboy said that Captain Charles T. Boyd commanded the Americans and with Lieutenant Henry E. Adair was among the killed.

This sentence, from the Associated Press account of the battle Wednesday between Americans and Carrizal, printed this morning in The Daily Oklahoman, brought sorrow to the home of Mr. and Mrs. W. H. Wilson, West Chickasaw. Captain Boyd is a brother of Mrs. Wilson.

Death Unconfirmed.

While his death has not been confirmed, advice to The Times is to the effect that two troops of the Tenth cavalry engaged in the Carrizal battle and that the senior captain of the two was in command. Leon H. Spilliboy, Mormon scout, declared that it was the captain in command who was killed and Captain Boyd is said to have been older in service than Captain Murray, commanding the second troop, reported wounded.

Captain Boyd's Career.

Captain Boyd went to West Point from Marion, Ill., about twenty years ago. After completing his course at the national military academy he entered the regular army as second lieutenant, and later saw service in the Spanish-American war.

He has been in Mexico with Pershing's column practically since the beginning of the punitive expedition. He is about 42 years old.

SDAY, folks, the money is coming in for the canteen fund so slowly that the war will be over before the canteen's full!

"Why, think of Clinton handing Company A a purse of \$250 before they left for Oklahoma City and here we are stalling along with small change when we've been hammering at you for four days."

"Read this letter from a man who has been there:

June 20, 1916.

The Oklahoma City Times,
Gentlemen:

I have just read your appeal for a "Canteen Fund" for the local company, C. N. G. and take pleasure in enclosing check to be credited to the fund.

Having served a year with Missouri troops during the Spanish-American war and also two years with U. S. Volunteers during the Philippine Insurrection, during part of which time I was in charge of the regimental "canteen" and later in charge of my company's canteen fund, I know the good that can be accomplished by having a liberal fund to be used for the purchase of "extras" for the boys and how really necessary it is for their comfort and well being.

I trust the response to your appeal will be liberal and that you will succeed in raising \$1,000 or more.

Yours very truly,
C. D. WALLACE
NOW WRITE THAT CHECK!

\$350,000 A DAY COST OF KEEPING U. S. ARMY; BEST FED IN WORLD

WASHINGTON, June 22.—It has cost \$350,000 a day to keep the regulars in Mexico for three months or more than \$10,000,000. When the militia is mobilized it will cost an additional \$250,000 a day to support them.

The American soldier is the best fed in the world. His food costs the government 10 cents a day a man.

GUARD TO FRONT, NOT CHANDLER, MAY BE ORDER

Canton Says He Could Move Troops Within Twenty-Four Hours.

Adjutant General Canton stated at 260 o'clock that if an order to call Oklahoma's guard units to the front was received, he could get them away within twenty-four hours. He said conditions were not exactly satisfactory, but the whole regiment could be recruited and ready within a day.

Although no word of the war department's order to move units of the national guard to the border had been received by Adjutant General Canton from the commander of the southern department word was expected momentarily.

According to attaché of Canton's office the order probably will mean that such companies as now are recruited to minimum strength will be included in the column to be sent to the front.

Company A, Clinton; company G, Weewoka; company M, Oklahoma City; the First Regiment band; troop B, cavalry, Oklahoma City; troop A, cavalry, Okemah, and the local hospital corps, as well as other Oklahoma national guard units will be affected by the order.

Movement of all the units composing the Oklahoma National Guard to Chandler will begin early tomorrow. If no other order intervenes, according to a statement made at noon today by Adjutant General Canton, who had not yet received a report from the Adjutant General's office.

General Pershing's preliminary report of Carrizal battle shows attack was unprovoked.

The command was without wagons, stretchers or other means of transporting the wounded, and the loss of horses may have been a serious factor in delaying a retreat, inasmuch as with wounded men
